

# CUTTERBAR HS 172 - 242

**NEWS**

## STRONG ARGUMENTS

- Perfect cutting quality
- Gentle and smooth cutter bar
- Double-sharpened blades
- Quick replacement of blades
- HD planetary gearbox w/cast iron engine

The new HS series is a very versatile machine as it can be used for both hedge trimming and windbreak maintenance.

The Cutterbar HS 172 - 242 can cut branches up to 6 cm (2.36") in thickness. Even small twigs receive a completely smooth cut. By combining the newly developed finger bars with the specially sharpened blades, you achieve a high performance and an impeccable finish.

CUTTERBAR HS	172	212	242
